Some - one's knock-ing at my door. WHO IS IT? If you know, we can play!

If you don't, GO A - WAY!!!

Print out “Who is it” resource picture and laminate.

Discuss idea of strangers vs. friends (safety)

Students learn song by rote

“WHO IS IT” and “GO AWAY” can be shouted rather than sung

Someone goes out in the hall or behind a desk (or anywhere they can hide)

They have the printed sign

This can be a TA, teacher, student, or anyone who will stay where they should

All students sing the song

At the end, the person with the sign pops out

If their face is covered with the robber sign, everyone yells “GO AWAY!”

If their face is uncovered, they smile and everyone says “HELLO! WE CAN PLAY!”

EXTENSION ACTIVITY

Add “knocking” during rests or on steady beat using woodblocks or rhythm sticks
